Dear Trapper:

We are pleased to have once again produced a calendar for Ontario's trappers. We know that there is no other calendar that covers your year the way that this one does:

1. Opening and closing dates for all trapping seasons in all parts of Ontario;
2. Last receiving dates and sale dates for the major fur auctions;
3. Trappers Council meetings and workshops;
4. Convention dates;
5. Even a handy reminder as the deadline approaches for your mandatory season-end harvest report.

Our advertisers have collaborated with us to bring you contact information and messages for the products and services that you use every year.

All presented in an attractive format that you can display with pride in your home, trapping cabin or fur shed. All uniquely designed with you in mind. We trust that you will agree that this unique calendar is well worth the \$10.00 donation that we are requesting that you return to your Federation so that we can continue to produce similar calendars for you in future years. Please send your \$10.00 donation by mail or fax today. Thank you.
