

# TRAPPERS COUNCIL INSURANCE

The Ontario Fur Managers Federation maintains a \$5,000,000 third party liability insurance policy in effect covering Trappers Councils for trapping, fur harvesting, problem animal control, trapper instruction and Council social events. This insurance coverage is funded 100% by your Federation. It is critical that we have accurate information on all Councils in order to maintain this coverage. If you wish to have your Trappers Council recognized in the Federation's insurance coverage, you must complete this form, have it signed by YOUR OFMF Zone Director, and return it to the Federation office in Sault Ste. Marie by January 31 of each calendar year. The Council contacts you list on this form should be current Executive members or Directors of your Council. This will also help us update our Tales and Trails mailing list. **IT IS ALSO IMPERATIVE THAT WE HAVE THIS INFORMATION FOR OTHER FEDERATION/COUNCIL FUNCTIONS SUCH AS TRAPPER COUNCIL WORKSHOP FINANCIAL ASSISTANCE**
